

Alternative Land Use Services  
*Growing a healthier environment*

## **ALUS Demonstration Tour**

**August 18, 2011**

**10:00 am to 3:00 pm**

**You are invited** to join the ALUS Program on a guided tour of three different Demonstration Farms to learn about the unique agricultural and biological diversity in Norfolk County. Lunch will be held at the Springview Farm Golf Course and features a local food menu.

The tour will be held on **Thursday, August 18, 2011** and bus transportation is provided.

Meet at the OMAFRA Simcoe Research Station, 1283 Blueline Road, Simcoe, ON.

Cost of food and transportation will be covered by the Norfolk ALUS Program.

Agriculture is often at the centre of discussions involving the protection and conservation of biodiversity in Southern Ontario. Visit working farms participating in the Norfolk ALUS Program to see how farmers provide ecosystem services through habitat creation.

**Please RSVP (include any dietary restrictions) immediately.**

**If you have any questions or to RSVP please contact:**

**Lindsay Bennett**

**ALUS Project Coordinator**
