

An illustration on the left side of the poster shows various cleaning products in black silhouette: a spray bottle, a large jug, and a bottle. From the spray bottle, a cloud of fumes rises, containing a red starburst and a red skull and crossbones. At the bottom, a small pot or burner is shown with a red exclamation mark and a red 'X' above it, with a red 'cough' bubble nearby.

The Dirt on Clean

presented by Adria

FREE screening
of the Canadian Documentary "Chemerical"

Everyday products that we use as *solutions*,
but could they be creating health **problems**? Learn more!

Get the product knowledge you need to make healthy and **cheaper** choices!
"Chemerical" will illustrate how you can detoxify your home.

...followed by **fun and easy how-to activities!**

Refreshments provided.
