Changing Community Demographics: The changes that affect us all!

The Region of Waterloo would like to invite you to a Community Conversation to discuss our changing population and the trends that could shape our community’s future.

Key note speaker Doug Norris (Chief Demographer at Environics Analytics) will discuss the shifts in our community’s population and the potential implications for policies, programs and services.

We hope you can join us to:

- Discuss the trends and implications these changing demographics have on community programs and services.
- Share your thoughts and ideas to help inform the Region of Waterloo’s priorities for the 2015-2018 Strategic Plan.

Two sessions are being offered:

Thursday, March 26, 2015	Friday, March 27, 2015
7:00 – 9:00 pm Waterloo Region Museum 10 Huron Road Theatre Free parking	10:00am – 12:00 pm 150 Frederick Street Kitchener Council Chambers This session will also be webcast.
