

Public consultation on Ontario's Climate Future

March 19
6-8pm

Have your
say!

Kitchener Public Library
85 Queen Street North

Let's fill the
room!

Join the discussion and let the Government of Ontario know what you think about the **best path forward** for adapting to climate change in our community and reducing carbon emissions.

Share your feedback and ideas to demonstrate that Waterloo Region cares about addressing climate change, and that we have the expertise and commitment to help Ontario be recognized as a world leader in climate change solutions.
