Dear Mr. Chaturvedi:

**Application pursuant to paragraph 74(1)(a) of the *National Energy Board Act* (NEB Act) by Enbridge Pipelines Inc. (Enbridge) for leave to sell a section of pipe (Pipeline Section), referred to in Certificate of Public Convenience and Necessity (CPCN) OC-30 (Application).**

The National Energy Board (Board) has considered the Application and has issued the attached Order MO-008-2014 and Schedule A, the effect of which is to approve the sale of the Pipeline Section from Enbridge to Valero Energy Inc. (Valero).

The Board directs Enbridge to notify the Board, as well as the relevant and appropriate provincial authorities, in writing once the transaction has been completed. Once notified, the Board will take the appropriate steps to amend the CPCN OC-30 to remove the Pipeline Section, an amendment which requires approval by the Governor-In-Council.

The Board directs that a copy of this letter be served on Valero and all interested parties to the application.

Yours truly,

Sheri Young  
Secretary of the Board
