

Discover an Emerald Jewel in the City of Kitchener

HIDDEN VALLEY REVEALED

September 16 – October 22, 2017

Come discover a piece of Eden that can be found right here in the heart of the City of Kitchener. The **Homer Watson House & Gallery** is hosting a juried art exhibit of Hidden Valley, an unspoiled gem of spectacular diversity that has been hiked and enjoyed by enthusiastic naturalists for generations. This exhibition is to honour the late **Daphne Nicholls**, an artist, active environmentalist, and a founding member of **Friends of Hidden Valley**. She had requested this exhibition of family and friends.

CALL FOR ARTISTS details are posted on the **Homer Watson House & Gallery** website at:
