Theresa McClenaghan

Executive Director Canadian Environmental Law Association, former water policy advisor for Ministry of the Environment, legal representative for citizens in Walkerton Inquiry.

Bruce Davidson

Co-founder and Vice-Chair of Concerned Walkerton Citizens

Plus

Presentations from Susan Bryant of APT Environment on Elmira's ongoing water contamination, Kevin Thomason on countryside protection and Arlene Slocombe from Wellington Waterwatchers on the implications of Bill 66 on source water protection.

"Bill 66 represents an unprecedented and unacceptable attack on legislative provisions which currently safeguard environmental quality and public health and safety throughout Ontario."

Canadian Environmental Law Association (CELA)
