

Let's Talk Plants

Nifty Natives

Webinar

Monday, January 11th, 2021

7:15 – 8:45 pm

Why do we think that going native means a sacrifice in beauty? It does *not*! We'll discuss various, desirable, ornamental natives, including some you may not even know are native. Benefits to birds and pollinators will be covered and a debate on 'Nativars'!

With

Sean James

Sean is graduate of Niagara Parks School of Horticulture, a Master Gardener, writer, teacher and a landscape professional for 35 years.

Free Webinar but registration is required.
