Dear Sir/Madam;

RE: Regional Official Plan Review and Land Needs Assessment – Woolwich Township

On June 6, 2022, the Council of the Township of Woolwich will consider a recommendation report from staff regarding the Regional Official Plan Review, Land Needs Assessment. Staff is proposing to forward a report recommending endorsing a growth land needs scenario from the report for Community and Employment Lands as it relates to determining the amount of urban lands the Region requires to accommodate population (Community) and employment lands to the year 2051 as outlined in the Region's Land Needs Assessment. The report will present a recommendation with regard to the growth scenarios, but also include a preliminary recommendation on which lands that may be included in the urban boundary to match that recommended growth scenario. This report will be available on June 1, 2022.
