Dear Head of Council,

**Subject: Responding to the Housing Affordability Task Force's
Recommendations**

As you know, in February 2022, the Housing Affordability Task Force delivered [its final report](#) with recommendations to help Ontario tackle the housing supply crisis and build at least 1.5 million homes by 2031. Including sub-items and appendices, the Task Force made 74 unique recommendations. While Ontario has made progress in acting on these recommendations — with 23 implemented to date helping to achieve the highest level of housing starts in over three decades — as the province grows at incredible speed, all levels of government need to do more.

To bring the dream of home ownership into reach for more people, I have asked my ministry to renew its efforts to review and, where possible, implement the Task Force's remaining recommendations with minimal delay. As part of that review, I am asking for your position, as head of council, on all 74 recommendations, as well as for you to prioritize your top five recommendations for future consideration. For these top five priorities, this could include your advice to revisit the way a recommendation has been implemented up to this point (for example, the Task Force's recommendation to allow as-of-right zoning for four units on a single residential lot, compared to the province's current baseline of allowing three units as-of-right with the option for municipalities to adopt a higher density threshold if they choose), as well as how some of the recommendations could or should be implemented with amendments.

Accompanying this letter, you will find a chart containing the full list of 74 Task Force recommendations. Please fill in this chart, indicating whether you as the leader of your municipality support each recommendation. At the top of the chart, I ask that you rank the top five Task Force recommendations that you feel would be, or have been, the most useful in increasing housing supply in your community and across Ontario.

As we look to do more to solve the housing supply and affordability crisis together, it's important for the province to have a full understanding of our municipal partners' positions on these recommendations as quickly as possible. I ask that you **please return the completed chart to housingsupply@ontario.ca no later than October 16, 2023.**

At the same time, we cannot afford to deploy resources or enable tools where they won't be used or optimized. Now more than ever, we need clarity about your views. As such, failing to return this chart completed in full by October 16, 2023 **will disqualify your municipality from being eligible for the province's new \$1.2 billion Building Faster Fund** that was announced at the Association of Municipalities of Ontario conference in August. To make this process easy and efficient for you, we have standardized the feedback form with very simple 'support' or 'oppose' options.

I look forward to continuing our work together to ensure that more people can afford a place to call home.

Sincerely,

The Hon. Paul Calandra
Minister of Municipal Affairs and Housing
