

# What kind of future are we creating?

## And will it work for everyone?

The **Awakening the Dreamer, Changing the Dream Symposium** is a profound inquiry into a bold vision: to bring forth an environmentally sustainable, spiritually fulfilling and socially just human presence on Earth.

You will gain fresh insight about our world, meet like-minded people, find hope and inspiration and leave clear how you can help create a new future.

If you are ready to explore what this vision means for you, we invite you to attend.

*“This has given me the purpose and drive to change my life. Everyone working for or wanting a better world must see this.” – JS, Concord, CA*
